Manuscript Number:	SDATA-22-00583	
Proposed Title of Article:	Global monthly sectoral water use for 2010–2100 at 0.5° resolution across alternative futures	(the 'Article')
Author(s) [Please list all named Authors]:	Zarrar Khan, Isaac Thompson, Chris R. Vernon, Neal Graham, Thomas B. Wild, Min Chen	(the 'Author')
Corresponding Author Name:	Zarrar Khan	

## Licence Applicable to the Article:

Creative Commons licence CC BY: This licence allows readers to copy, distribute and transmit the Article as long as it is attributed back to the author. Readers are permitted to alter, transform or build upon the Article, and to use the Article for commercial purposes. Please read the full licence for further details at - <http://creativecommons.org/licenses/by/4.0/>

Subject to editorial acceptance of the Article, it will be published under the Creative Commons licence shown above.

## 1 Grant of Rights

The grant of rights set forth below applies only if, and to the extent that, all or any part of the Article is not in the public domain by virtue of having been written by a US Government employee in the course of their official duties as defined by the U.S. Copyright Act, 17 U.S. Code § 105.

- a) For good and valuable consideration, the Author hereby grants to the Licensee the perpetual, non-exclusive, irrevocable, world-wide, assignable, sublicensable and unlimited right to: publish, reproduce, copy, distribute, communicate, display publicly, sell, rent and/or otherwise make available the article identified above, including any supplementary information and graphic elements therein (e.g. illustrations, charts, moving images) (the "Article") in any language, in any versions or editions in any and all forms and/or media of expression (including without limitation in connection with any and all end-user devices), whether now known or developed in the future. Without limitation, the above grant includes: (i) the right to edit, alter, adapt, adjust and prepare derivative works; (ii) all commercial use, advertising, and marketing rights, including without limitation graphic elements on the cover of the journal and in relation to social media; (iii) rights for any training, educational and/or instructional purposes; (iv) the right to add and/or remove links or combinations with other media/works; and (v) the right to create, use and/or license and/or sublicense content data or metadata of any kind in relation to the Article (including abstracts and summaries) without restriction. The above rights are granted in relation to the Article as a whole or any part and with or in relation to any other works.
- b) Without limiting the rights granted above, Licensee is granted the rights to use the Article for the purposes of analysis, testing, and development of publishing- and research-related workflows, systems, products, projects, and services; to confidentially share the Article with select third parties to do the same; and to retain and store the Article and any associated correspondence/files/forms to maintain the historical record, and to facilitate research integrity investigations. The grant of rights set forth in this clause (b) is irrevocable.
- c) The Licensee will have the right, but not the obligation, to exercise any or all of the rights granted herein. If the Licensee elects not to publish the Article for any reason, all publishing rights under this Agreement as set forth in clause 1.a) above will revert to the Author.

## 2 Representations

Author represents that:

- a)
  - i. the Author is a US Government employee and has prepared the Article in the course of their official duties,
  - ii. only if, and to the extent that, any part of the Article is not in the public domain by virtue of subclause (i) above, the Author is the sole owner or has been authorised by any additional copyright owner to grant the rights defined in clause 1,

- iii. the Article does not infringe any intellectual property rights (including without limitation copyright, database rights or trade mark rights) or other third party rights and no licence from or payments to a third party are required to publish the Article,
  - iv. the Article has not been previously published, nor has the Author committed to licensing any version of the Article under a licence inconsistent with the terms of this Agreement,
  - v. if the Article contains materials from other sources (e.g. illustrations, tables, text quotations), Author has obtained written permissions to the extent necessary from the copyright holder(s), to license to the Licensee the same rights as set out in clause 1 and has cited any such materials correctly;
- b) all of the facts contained in the Article are according to the current body of research true and accurate;
- c) nothing in the Article is obscene, defamatory, violates any right of privacy or publicity, infringes any other human, personal or other rights of any person or entity or is otherwise unlawful and that informed consent to publish has been obtained for any research participants;
- d) nothing in the Article infringes any duty of confidentiality owed to any third party or violates any contract, express or implied, of the Author;
- e) all institutional, governmental, and/or other approvals which may be required in connection with the research reflected in the Article have been obtained and continue in effect;
- f) all statements and declarations made by the Author in connection with the Article are true and correct; and
- g) the signatory who has signed this agreement has full right, power and authority to enter into this agreement on behalf of all of the Authors.

The statements and representations made here are a material consideration and condition of Licensee's performance and the publication of the Article, and Licensee relies on these representations in publishing the Article.

### **3 Cooperation**

- a) The Author will cooperate fully with the Licensee in relation to any legal action that might arise from the publication of the Article, and the Author will give the Licensee access at reasonable times to any relevant accounts, documents and records within the power or control of the Author. The Author agrees that any Licensee affiliate through which the Licensee exercises any rights or performs any obligations under this Agreement is intended to have the benefit of and will have the right to enforce the terms of this Agreement.
- b) Author authorises the Licensee to take such steps as it considers necessary at its own expense in the name of the Licensee as licence holder, if the Licensee believes that a third party is infringing or is likely to infringe copyright in the Article including but not limited to initiating legal proceedings.

### **4 Author List**

Changes of authorship, including, but not limited to, changes in the corresponding author or the sequence of authors, are not permitted after acceptance of a manuscript.

### **5 Post Publication Actions**

The Author agrees that the Licensee may remove or retract the Article or publish a correction or other notice in relation to the Article if the Licensee determines that such actions are appropriate from an editorial, research integrity, or legal perspective.

### **6 Controlling Terms**

The terms of this Agreement will supersede any other inconsistent terms that the Author or any third party may assert apply to any version of the Article.

### **7 Governing Law**

This Agreement will be governed by, and construed in accordance with, the laws of the State of New York. The courts of New York, N.Y. will have exclusive jurisdiction.
